The relaxed atmosphere was great, the manager was very accommodating. Bed was super comfortable. The free milk and coffee and tea and daily staples was a real treat, nothing I've experienced before. 10★'s

The best Glampacker I have ever been in. Small rooms with either a double or double and single bunk. Small fridge in every room. Simple and new bright linen. Wonderful new shared bathrooms, kitchen, dining and lounge area. Free fresh food in fridges. Everything you need in a kitchen. Great outdoor area with BBQ and vegie garden. Great location near the beach, main street and a supermarket next door. And lastly, the best host and cleaner ever (the place is spotless and they pride themselves on this fact). Would definitely stay again.
